Caroline County Family YMCA Graduation Celebration Caravan

Denton, MD -The Caroline County Family YMCA is organizing a Graduation Celebration Caravan for high school seniors on Thursday, June 4, & Friday, June 5, 2020. This caravan will begin June 4 honoring CRHS students and will continue June 5 honoring students from NCHS. Each town will have a spot where people can wait to join the caravan. "High School graduation is an important milestone in a person's life and we all know these seniors have not had the traditional celebration, due the current pandemic, that comes with this accomplishment and so we encourage community members to decorate their vehicles and help us try to make these seniors feel special during unprecedented times" said Brian Byrnes, Executive Director.

Each spot will have a YMCA volunteer who will be in charge of providing the guidelines that the participants must follow before, during, and after the caravan. "As we continue to serve our community during this pandemic in a variety of ways, we would like to help honor the graduating high school seniors. For us at

the Caroline County Family YMCA being able to celebrate and honor our high school seniors through an event with the whole county, it's just wonderful," says Angel Perez, Program Coordinator
