Council Comments:

Com. Knight stated that he was continuing to look through all the information that was given to him and he will be having some questions to get himself up to speed.

Com. Mackey asked if Baldwin ever came back with what he wanted to do. Ms. Armour stated that Mr. Baldwin talked to Jeannette about building smaller houses and was supposed to come to Planning and Zoning with what he wanted to do now, but he has not.

Mayor Reichart asked what was decided for Exquisite Basketball. Ms. Armour stated that it was decided that we would keep all sports the same. We didn't want to give one more than another, so we would give them \$500 after the next fiscal year began. Mr. Cunningham stated that he is having a hard time trying to find indoor gym time. Ms. Armour stated that she would reach out to the church for him.

Mayor Reichart stated that Kids in the Park would be June 28th from 10-12 if anyone from council could join and help out that would be great.

Mayor Reichart stated that the carnival is 2 weeks away and that Town Hall still had discount tickets for wristbands.

TO: MAYOR & COUNCIL
FROM: NICOLE ARMOUR
SUBJECT: ADMIN. DEPT./ TOWN MANAGER REPORT
DATE: 7.18.19

- Jeannette is still recovering. She is due to return to work on August 5th.
- Would like to thank Mayor Reichart and Com. Harrison for joining in on the Planning and Zoning Meeting on Tuesday. I think there were a lot of useful ideas thrown around that could help keep moving this town forward in a positive direction.
- The main issuing that has been plaguing us for the past couple weeks has been the trash situation, and hopefully that has been fixed. Republic Services will be in town tomorrow picking up trash and recycling. I did tell them it was ok to start at 5 am tomorrow due to the heat.
- There are a few other things that I need to discuss with you, but they will have to be discussed in Executive Session due to the legal their legal nature.
