

TOWN OF GREENSBORO
TOWN COUNCIL WORKSHOP
February 15, 2018

In Attendance: Mayor Noon, Commissioners Williamson, DeSimone, Reichart, and Mackey
Police Chief Petyo, Jeannette DeLude, Amber Korell and Dave Kibler

Roy Geiser- TGM Group

Mr. Geiser briefly reviewed the audit financial reports with the Mayor and Council.

Copies of the report were left with the Town Manager.

Discussion Items:

Proposed Fee Schedule-

Jeannette will contact MDIA and see if we can get their new contract charges by June so we can implement these proposed changes in July.

112 S Main Street-

Years ago this addresses code was updated in CUSI to reflect two dwelling units but an additional second account in CUSI was never created. It was just recently realized after a rental inspection at apartment B. So now we need to discuss the water bill charge for this apartment.

No decision was made and the council postponed until the next meeting.

Quietchild Recycle Program-

Dale Jacobson Owner of Quietchild Properties LLC 107 School Street asked the Town about recycling at his condo units. Currently the State of MD requires apartment buildings holding more than 10 units will need to offer recycling. Mr. Jacobson does currently offer this to his units but it is expensive. We looked into different options and the council agreed that the 2yard dumpster for \$45 a month was the best option. Lindsey will look into condo association fees and get back with Jeannette with her findings.

GVFC- No report

Comm. Mackey did mention that they would like to have one of the council members be a liaison between the departments and attend their meetings.

Town Manager: See Report

March 15th Meeting will be a Public Hearing at the Goldsboro Fire Hall. A council workshop will be held at 6pm and regular meeting starting at 7:30pm.
