Discussion Item

Bulk Pick up-Items being gone through late at night.

Council discussed this concern and decided to not act on it at this moment.

Town Manager

See Report

Public Forum

Gary Wyatt- 13200 Greensboro Road

Mr. Wyatt states his lawyer would like us to have an accountant look into his water bills.

Mr. Wyatt would also like to know if he could put a dumpster on his property for his tenants like some of the other bigger apt complexes have, but he would pay for this service himself.

Mayor Noon advised Mr. Wyatt to make an appointment with the Town Manager to go over the water bills before getting the attorneys involved.

Town Council:

Comm. Mackey spoke on Comm. Williamson's behalf, The Parks Board has gone over budget for Lighting of the City by \$300 and is requesting if we could look into the budget and find the money to help them out this year. Mayor Noon they will address this at their next meeting.

The council thanked all the volunteers and town staff for coming out to our Tree Planting Day, there was a great turn out and 32 trees got planted in a hour and a half!

Wreaths across America December 16th. Comm. Reichart is challenging the council to each purchase one individually and have each town dept. purchase one as well! Comm. Mackey accepted that challenge and raised it to two wreaths per council member.

Mayor Noon invited all the elected officials in Caroline County to our Christmas parade.

Meeting adjourned at 7:22pm.
