

## Town of Greensboro

113 S. Main Street

P.O. Box 340 Greensboro, MD 21639 410-482-6222

[www.greensboromd.org](http://www.greensboromd.org)

The following information is needed when applying for a Fence Permit:

1. A completed Fence Permit application stating the purpose for which the fence is to be erected, including the immediate neighbor's signatures.
  2. 2 copies of a site plan of the property will be needed. The site plan should show property lines, buildings, and where the fence is to be located.
  3. Attach a drawing of the fence to the Fence Permit application showing a side elevation and describe the length, height, thickness, and material to be used in construction.
- \* Remember that fences cannot be more than 36" in the front and cannot be over 6' in the rear and side yards.
4. **A filing fee of \$50.00 for each application.**

Checks should be made payable to the Town of Greensboro .

If you have any questions, please contact the Planning and Zoning Office at the above listed phone number.

### Residential Fence Application

No person, firm, association, or corporation shall hereafter erect and maintain any wall or fence for any purpose whatsoever without first having obtained permission in writing in the form of a permit from the Town. The application made to the Town shall be in writing on an application form provided by the Town, stating the purpose for which the wall or fence is to be erected.

Each application shall include:

- A completed building permit
- 2 copies of the plot plans showing the proposed location of the fence
- A drawing showing a side elevation
- A statement setting forth the length, height and thickness of the fence with a description of the material to be used
- This form with signatures of each neighbor whose property is adjacent to the fence.
- Filing Fee

Please note: Walls and fences shall not exceed 30 inches in height above ground elevation in front yards. Walls and fences shall not exceed 6 feet in height above ground elevation in rear and side yards. Security fences for business, industrial, or institutional uses shall not exceed 8 feet in height above ground elevation unless otherwise necessary to comply with screening requirements. No fence may be constructed which obstructs clear vision at any intersection, either street or alley.

The following signatures signify that all are in agreement on the lot lines and the placement of the fence as shown on the attached plot plans and drawings.

Applicant signature	Address	Date
Neighbor signature	Address	Date
Neighbor signature	Address	Date
Neighbor signature	Address	Date

**If the signed agreement of all adjacent property owners is not obtained for placement of the fence, a licensed survey of the disputed property line must be obtained by the applicant and provided to the Zoning Administrator who will confirm, based upon the survey, that the fence is planned and placed in the proper location.**
